About AmeriCorps

• **About AmeriCorps**
  - AmeriCorps is akin to Peace Corps, but for persons desiring to serve nationally. Thousands of Americans, both young and old, are making a difference in the community through service in exchange for assistance financing their higher education or repaying student loans. AmeriCorps is an opportunity to make a big difference in your life and in the lives of those around you.

• **AmeriCorps State and National**
  - The largest of AmeriCorps programs, AmeriCorps State and National provides funds to local and national organizations and agencies committed to using national service to address critical community needs. Building Communities, Bettering Lives is an AmeriCorps State program funded through the Governor's Office of Volunteer Services.

• **Corporation for National and Community Service**
  - AmeriCorps is a program of the [Corporation for National and Community Service](https://www.nationalservice.gov), an independent federal agency whose mission is to improve lives, strengthen communities, and foster civic engagement through service and volunteering.
About BCBL AmeriCorps Program

The YWCA’s Building Communities, Bettering Lives AmeriCorps program is designed to harness the interests and talents of Americans with a passion for service, who will improve the programs and capacities of the YWCA and partnering nonprofit agencies. This is done in central Alabama through service in volunteer management, social justice, education, homelessness prevention, youth empowerment, community development, and more.
